Driving Directions

From Interstate 40, proceed to Exit 147 and take the off ramp. If driving in from areas to the east of Graham (the Durham side), take a right at the light at the bottom of the off ramp. If driving in from areas to the west of Graham (the Greensboro side), take a left at the light at the bottom of the off ramp. Either turn will place the driver on Main Street. Then proceed north on Main Street for approximately one-half mile to the traffic circle at the Old Alamance County Courthouse. Get on the traffic circle and go past the first two turns (first one is East Elm Street and the second one is North Main Street). The third turn will be West Elm Street. Turn right on West Elm Street and proceed for approximately one hundred yards. The office will be on the left at 112 West Elm Street. Parking can be found on both sides of the street and in the public parking lot on the right side of the street across from the office.
